

# Backing Up Carter at Mike Greenwell's

Saturday, September 9th from 10AM - 10PM

Carter is your typical 4-year-old boy - happy, sweet, outgoing, silly, and lovable, but Carter also has an extremely rare form of Congenital Muscular Dystrophy called Ullrich CMD. Not only does this affect his muscles, but his lungs, spine, and ability to walk. Carter and his family will be leaving October 1<sup>st</sup> for a long and invasive spinal surgery at The Children's Hospital of Philadelphia to see Dr. John Flynn, one of the best Pediatric Orthopedic Surgeons in the country. We are hoping to raise funds for both Carter and his family in order to help lessen the burden of medical and travel expenses not only for this trip, but for the many other surgeries and medical expenses to follow.

Please join us at Mike Greenwell's in Cape Coral for a full day of fun, music, and prizes, and to meet this outstanding little boy in person!

Wristbands will be \$20 for the entire day and includes admission to the Midway Rides, go-carts, batting cage, and mini golf! Any proceeds from wristbands will benefit Carter. Food, beverage, and arcade games purchased separately. We are requesting a \$2 donation per car for parking. We will have local vendors from 10 - 2 as well as plenty of raffles and silent auction items up for grabs (do not need to be present to win).

*We hope to see you there!*
